PLAYA BONITA RV PARK RESERVATIONS - Fleet 42 has blocked 15 spaces for the Challenge Weekend. If you are planning on attending the Challenge, you need to make those reservations NOW. Don't count on there being spaces if you just decide to show up because here is what is going to happen: A week (7 days) before the event, Scott Agan is going to call and see how many spaces are left open. Unless he hears from someone needing a last-minute spot by FRIDAY October 5, 2012, he is going to cancel the balance of spots left open and give them back to Playa Bonita to rent out. Scott Agan at 480-540-5634 or scottagan@fleet42.org.
